Worthy State Officers and Financial Secretaries,

Every year at the State Convention Mass, we pause for a moment to remember those Brother Knights who passed away during the past year and **who served the State Council as either a State Officer and/or District Deputy**. In the necrology, I will pay tribute to each of them. I truly believe that it is important that we insure that everyone be included that meets this criteria.

I need your help. Please let me know of any brothers from your council who should be included in this tribute. If you are not sure if they had served on the State level, let me know anyway. I have a data base of everyone who served and I can check to see if they did indeed serve on the State level.

The following have died and will be remembered at this years Mass so far: Victor Otreodosky. If you know of any one else, please notify me at 402-292-2799 Home, ljreed1@cox.net (E-Mail) or at 101 Kings Dr., Bellevue, NE 68005. I really appreciate your attention to this matter.

Thank you,

Larry J Reed
Past State Deputy
