GK Corner: Thank you Brother Knights & your families for all the hard work we have put into making this year's Lenten Meals a great success. We have created a very valuable community activity that the parish supports. Without the help that you, our brother Knight give us, we would not be able to take on this great responsibility. It was great to see many new faces this year.

Treasurer's Report: We presently have \$5168.15 in our account.

Happy Birthday:

Insurances Minute: If You Knew the Future, What Decisions Would You Make?

If you knew today was the last chance you would ever have to buy additional life insurance, how much would you buy? If you had a money-making machine, that once broken could never be repaired how much would you insure it for?

If you knew that today was the last time you would have the opportunity to guarantee your family an income if something happened to you, how much income would you give to them? If you knew today marked the end of your ability to buy future retirement security, how much would you buy?

Isn't it safe to say that you would put some additional dollars into more life insurance protection that could be used for family or retirement benefits? Chances are that you will be around for a long time, but life is full of "ifs" and surprises, isn't it?

Let me help you plan for the future. Call me today! Manny Gallardo, FICF, CSA (402) 423-0250 E-mail mgallardo@neb.rr.com

What is \$30.00 a year?: That amount breaks down to \$2.50 a month or \$.58 a week or 8 cents a day. That is how much the dues cost each brother Knight for one year. Please make sure you have paid your dues for this year. Thank you to all the Brother Knights who have already paid this year's dues. If you have any questions, contact me at 475-0715.
