Grand Knight's Corner

Brothers, another new year is upon us. 2009 was a great year for our council. Let's make 2010 even better. Resolve now to take an active part in YOUR council. Attend a meeting, join us for one of our functions, or join us in prayer. Together we can accomplish great things for our Church, our community, our families, our youth, and one another.

What If? If you knew that today was the last chance you would ever have to buy additional life insurance, how much would you buy? If you had a moneymaking machine, that once broken could never be repaired, how much would you insure it for? If you knew that today was the last time you would have the opportunity to guarantee your family an income if something happened to you, how much income would you give them? If you knew that today marked the end of your ability to buy future retirement security, how much would you buy? Isn't it safe to say that you would put some additional dollars into more life insurance protection that could be used for family or retirement benefits? Chances are that you will around for a long time, but life is full of "ifs" and surprises, isn't it? Let me help you plan for the future. Call me today.
