Grand Knight's Corner

This past weekend we celebrated Respect Life Sunday. I want to take this opportunity to again thank you for all you do to support our many pro-life activities. I was especially pleased with the turnout for the Life Chain on Sunday afternoon. It was heartening to see so many Knights and their families there to demonstrate their support for the unborn.

I also want to thank those of you who are participating in the 40 Days for Life at the Lincoln Right to Life house next to the Planned Parenthood facility. If you haven't been there yet, I urge you to come by and join us in prayer to end abortion. Our council is signed up for the 6:00 a.m. hour on Sundays through November 1st. If you can't make it then, please prayerfully consider signing up for an hour on your own. Our strength is in our unity.

A special thank you to Cathedral Council 9563 for their efforts in restoring the Right to Life house and building the new prayer garden. Be sure to take a moment and see this beautiful garden.

Treasurer's Report:

The balance in our checking account is \$4468.77. Our savings account balance is \$4791.34.

Drawing:

John Nickolite's name was drawn at the September meeting. Since he was not present, the \$50 rolls over to this month's drawing. You can't win if you're not there. See you at the meeting!

Council Rosary:

Join us to pray the Rosary together next Wednesday, October 14th, before our general meeting. We will be meeting in Kraemer Hall at 7:00 p.m. Remember that October is the month of the Rosary, so please join us.

Congratulations:

Congratulations to Christopher Feeney, who has been awarded a Father Michael J. McGivney Vocations Scholarship from the Supreme Council for the 2009-2010 academic year. Christopher is a seminarian at Mount St. Mary's Seminary in Emmitsburg, MD.

Thank You:

Our family would like to deeply thank Blessed Sacrament Council 11001 for voting us "Family of the Year." The framed award and the beautiful plaque of Jesus, Mary, and Joseph were a total surprise. There are so many other families in our council who do so much more who are more deserving than we are. Our council is extremely active and we are humbled as most of you are silently behind the scenes serving Blessed Sacrament and truly deserve this award more than we do. Blessed Sacrament has been our "home" since 1981. When I lost my job 7 years ago many of my co-workers were devastated, as their job was all they had. Walking into Blessed Sacrament the following Sunday made me feel good again as I realized a sense of faith and community that exists here and what this parish means to our family. Once again, we'd like to thank the council for the award and we'd like to thank all of you for all of your hard work, as you are the true honorees. Thanks again.

Morally Responsible Investing In Line with Our Catholic Doctrine. Who are you doing business with? When you purchase life insurance, annuities, or long term care insurance with the Knights of Columbus, you can be rest assured that not only are you doing business with one of the top rated insurance companies in the world, but you are working with a company that is only investing with companies that do not support programs or products that are contrary to our Catholic beliefs.

Not only that, but as a fraternal benefit society, the profits derived from the sale of these products goes to support the Church and charities, making up a good portion of the record 130 million dollars the Knights of Columbus gave to charities last year. Not a bad deal – purchasing products that help assure you and your family's future, all the while knowing that the profits from the company are going to help others.

Call us today and we will be happy to sit down with you to discuss how the Knights of Columbus can be of service to you and your family.
