

**Bishop Kucera Assembly 0595  
February 2003 Newsletter**

**Sir Knights:**

As we embark on this New Year, I look forward to the challenges and rewards that it holds. I wish to thank all my officers and their ladies for the assistance given me in making the past year a success. Our latest function, the annual Clergy Night was a huge success. I hope that your support will continue as we start into this New Year.

Our next event will be the KC/Shrine dinner. I hope that your attendance will show our strength of number and pride of Catholicism. Our Bishop has confirmed his attendance.

This is the time of year that we really need to be actively participating in honor guards. There are many Confirmations in the upcoming months. If you have never stood honor guard, I encourage you to do so. If you are not standing honor guards because you are not familiar with procedures in one. Come to our next two meetings, and we will have a session on the how-to's of standing guards. So don't miss out on the opportunity.

I would also encourage each and everyone one of you to invite a fellow 3rd degree Knight to join our Assembly's ranks. We will be having an Exemplification on April 6th at the Seminary in Denton. I would love to see at least 50 new members go through the degree. Keep up your good works and deeds.

*Michael Nespor FN*

**Good Of The Order:**

Sir Knight Art B. Rempe is in Long-term care at Madonna with Parkinson's and Dementia. Rita, his wife, asked us to keep him our prayers.

**FROM YOUR COMMANDERS:**

There have been requests for some training or refreshers regarding standing Honor Guard. All Sir Knights that have a Service Baldric, together with a sword are requested to bring these items to the next two meetings in March and May. We will practice "visual commands" or silent "cues" used by the commander to communicate to Sir Knights. As we all realize, practice does not hurt us. We will try to prepare material from the Color Corps Drill Manual that each of you can take home with you for future reference. In the meantime, please review the list of proposed Honor Guards and call your Commanders to volunteer where you can in other parishes and also, your own. We need a lot help as you can see by the dates included with this newsletter. (Be sure to check your capes to assure they are pressed and wrinkle free, and your white gloves are clean.)

## **CLERGY NIGHT:**

Thanks to all brother Knights, who attended the annual Clergy Night. We had 118 total (Brother Knights and Clergy), the most attending Clergy Night since the 4th Degree Assembly took over hosting this important event. Our Clergy were very impressed by the support of all brother Knights. Please keep this event in mind for the future. We should also thank our fellow 3<sup>rd</sup> Degree who also attended.
