Re: Knights of Columbus High School Initiative

I am writing this email on behalf of the Nebraska Knights of Columbus to let you know of a new recruiting program geared toward seniors in Nebraska's Catholic high schools. Attached you will find a brochure which highlights the Nebraska Knights of Columbus High School Recruitment Initiative. The brochure outlines reasons for recruiting high school seniors and the steps for recruiting and retaining high school seniors.

A member of your local Knights of Columbus council will be contacting you regarding this program and will be able to give you additional information regarding this initiative and answer any questions you may have.

I hope you will look over the attached brochure and consider cooperating with your local Knights of Columbus council in recruiting young men to join the Knights thus giving them an opportunity for a lifetime of service to their priests, parish, and community while joyfully living out the mission of Jesus Christ.

God Bless,
